The Erasmus Student Network (ESN) is the biggest student organization in Europe that supports and works on developing student mobility. Currently, ESN is present in more than 1000 Higher Education Institutions from 48 countries all over Europe and beyond and includes more than 15.000 volunteers in offering services and support for international exchange students every year. The mission of ESN is to provide opportunities for cultural understanding and self-development under the principle of – Students Helping Students.
